In 2019 we give Stars clubhouse a fresh look with new colour paint work, new carpets throughout and some new feature boards, in 2020 we will be adding a 12ft by 6ft screen to the back of our stage as well. We are super excited for this.

Upgraded caravans, Why not try one of our new Oak caravans or treat yourself to one of our brand new Teak units with a hot tub on the decking.

Steps into the pool, Some of our guests found that ladders made getting in and out of the pool not so easy, we made it easier, we now have steps going into the pool.

Sunnyglen has had a make over with new roads and we have upgraded all the caravans. A stunning relaxing break to be had in Sunnyglen.

Upgraded the children's play area. Feedback from you was there was nowhere to sit in the park, we have added a feature bench and a new pirate ship adventure play zone.

Beautiful Pembrokeshire

Pembrokeshire has so much to offer: beaches, castles, theme parks, boat trips and so much more. Local to Sunnyvale we have the lovely seaside resorts of Saundersfoot and Tenby. Saundersfoot is a thriving seaside village, just a mile away from Sunnyvale. With several beaches, a lovely harbour, pubs and ice cream parlours, there is something for everyone.

Tenby is approx 3.5 miles from Sunnyvale and is a picturesque place built within the town walls. During the summer holidays, the town centre is closed to cars and has a 'street cafe' feel, as people sit outside enjoying their drinks, and strolling down the main street enjoying the traffic free zone. Just a short boat ride from Tenby is Caldey Island, where you can buy chocolate, perfume, jewellery and cakes made by the local Monks.

All along the Pembrokeshire Coast there are many beaches where you can just sit and relax, even in the height of Summer. You can take the kids to one of the attractions near to Sunnyvale – Folly Farm, Oakwood, Heatherton, Manor House or the Dinosaur Park.

For those of you who prefer culture, there are numerous Castles and Gardens near to Sunnyvale. Please visit Reception at Sunnyvale to collect brochures for all the places you can also visit in this beautiful area.

Our other Park, Howelston, is situated on the coast near to Little Haven. The quaint village of Little Haven is on the west coast of Pembrokeshire at the southern end of St Brides Bay. An old fishing village with a good deal of charm and character. The Pembrokeshire Coast National Park Authority has designated Little Haven as a conservation area.

With the Cathedral city of St Davids, UK's smallest city, the county town of Haverfordwest and the north Pembrokeshire coastal areas of Newport and Solva all reasonably close by, there are so many places to visit.

All in all Pembrokeshire has so much to offer, that you'll need to come back time and time again.
